In Touch

"The best way out is always through." - Robert Frost

A constant: new outreach

There are, as always, GREAT new outreaches to be found! Coming in September is a trip to the CAUSE held by the Toronto Youth Cabinet. This CAUSE is a celebration of the voice of youth in our fair city.

Come one and all to the celebration of young people's voices on **Saturday Sept. 20, 2008** for a blast of a block party (and also some outreach)!

Watch this space (and your inboxes) for times and confirmations.

A second wonderful opportunity is the Get Experience Fair at the University of Toronto, Mississauga. There, you (and I) will have an opportunity to interact with some fresh-faced university students, seeking to become volunteers in a terrific industry and at a great agency.

Be there **Sept. 24, 2008 from 10:30-1:30 at UTM** for an amazing networking opportunity and a chance to tell prospective volunteers what a smashing place this is to volunteer at!

ASO Picnic

You're invited to a grand end-of-summer extravaganza: it's the ASO picnic! Coming Sunday September 7, 2008, it's coordinated by the Toronto People with AIDS Foundation. This fabulous event will be held at Christie Pits Park, just across from Christie Station. Open to the HIV positive community and their children and runs from 11-4.

Pass on the info, or come out yourselves and be a part of this smashing end to the summer.

AIDS Walk means condoms

The annual AIDS Walk is COMING which means we need MORE CONDOMS as always

The AIDS Walk is coming up on Sunday, September 14, 2008. ASAAP is looking for a team of volunteers to work with us and to be a part of this VERY important event.

Watch your inboxes for more info from MSM Outreach Coordinator Vijay!

Since we are now in lube, there will also be a condom stuffing on Tuesday Sept. 2 from 4-7 at the office. Come by anytime in there and you can help us more properly prepare people out there for safer sex.

Don't miss this important stuffing in support of the AIDS Walk.
