In Touch

"Remember, if you ever need a helping hand, you'll find one at the end of your arm. As you grow older you will discover that you have two hands. One for helping yourself, the other for helping others." - Audrey Hepburn

World AIDS Day

ASAAP is looking for a few good men. Actually, I'M looking for a few good men. ASAAP needs people of all genders and identities to help out with our incredible upcoming event for **World AIDS Day on Nov. 29, 2007**. Some specifics:

1. We need **1 volunteer** to be in charge of our aromatherapy table. This person will assist Anna from ABPO, and is needed from 6-9.
2. **Several volunteers** to participate in the Fashion Show. You will be asked to dress entirely in black and wrap saris over the black in creative

ways. Our theme is Colour Therapy, so come up with creative ways to wrap yourself!

3. **Several volunteers** for set-up and take down for the Fashion Show, as well as for backstage. For both 2 and 3, **as many of you as possible will be accepted, but please sign up by Nov. 5, 2007.**

Finally, if you have any solid colour saris in red, blue, yellow, fuchsia or green, please let me know at volunteer@asaap.ca by **Nov. 5, 2007.**

For the Fashion Show, you'll be needed for two rehearsals between Nov. 5 and Nov. 28. From Thurs to Sat is preferable.

ASAAP's AMAZING RACE!!!!

It's near, it's kinda queer, it's ASAAP's AMAZING RACE!!!! That's right; it's coming up next Thursday, November 1, 2007 at our office from 6-8:30. You will not want to miss this opportunity for team-building and PLENTY of fun. After we finish, you will be invited to 'un-Thai' your shoes as we offer you dinner. Plus, of course, it's your chance to meet the new volunteer coordinator (me). Be there!

New outreach for November and condom stuffing

Starting in November, we want to hear from YOU for where to go to reach new community members.

As soon as you get this is the time for you to start going through all the information available to you to tell me about the places that ASAAP does not know about yet to go outreaching. Events in your neighbourhood, on your campus, or right in your backyard.

We want YOUR input on where we're missing and where we should be going.

Also, we are very much in need of a condom stuffing night. Therefore, I am calling all those interested and available to come in on Monday Nov. 5, 2007 from 6-8 as we stuff condoms AND have a little party!

Please e-mail me at volunteer@asaap.ca to let me know you can come in.
